## DOWN'S EDGE VILLA AT **PRIMROSE VILLAS**, CHIKMAGALUR

The airy glass-walled villas are seated in the lap of the Baba Budan hills of the Western Ghats. Dotted with Victorian and Jacobean antiques, they are designed to ensure the area's stunning topography is never out of view. Once you enter the Down's

Edge Villa, through a 100-year-old door, you're faced with floor-to-ceiling windows that frame the rolling mountains; doubly impressive given the ceiling is 20 feet high. A fireplace, sunken bathtub and little details like coffee soap, courtesy the local plantation, will sweeten your stay.
